PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

The principal is responsible for ensuring that there is a well-organised and responsive system of supervision in place during school hours, before and after school, and on school excursions and camps.

This policy applies to all teaching and non-teaching staff at Doncaster Primary School, including education support staff, casual relief teachers and visiting teachers.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

POLICY

Before and after school

Doncaster Primary School's grounds are supervised by school staff from 9:00 am until 3:15pm during school hours. Teachers will supervise gates from 8:45 am to 9:00am and 3:15 pm to 3:45pm

Outside of these hours, school staff will not be available to supervise students.

Parents and carers should not allow their children to attend Doncaster Primary School outside of these hours. Families are encouraged to contact **EXTEND** on **1300 366 437** or refer to <https://www.extend.com.au/> for more information about the before and after school care facilities available to our school community. It is strongly recommended that all parents enrol their child with EXTEND via their online enrolment system at the start of the year.

School staff must wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests are given to all teachers at the start of the year and vest are kept in classrooms in a visible location.

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving teacher.

During yard duty, supervising staff must:

- methodically move around the designated
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in your school's *Student Engagement and Wellbeing* policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass chronicle
- if being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), ensure that a brief but adequate verbal 'handover' is given to the next staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the role eg Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office and not leave the designated area until a replacement staff member has arrived.

Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty staff member.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the nearest teacher or year level coordinator for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.
